Thank you !
See you guys. Have good dinner.

I am hungry I wonder what's dinner gonna be
Tteokbokki tonight
Dude, your cell is nice How much was it ?
My uncle got it for me
Let's go to the cafeteria quickly We missed out last time

He's going home again without attening to the evening school.
He probably has a private tutor.
Darn, we are stuck here until night and he goes him like that.
I am so jealous.
Get into the Fine Arts then.
Are you crazy? My parents can't afford that.
I miss middle school days.
Even middle school students have evneing school now
Sucks to be them !

He's been busy with chasing a guy !
Saturday night.
What? Why ...? Why is he here ... ?

Hello...

I've been busy with a comic festival.
Just so so.
Oh, yeah? Did you sell lots of comic books?
After dinner rush time, he hes some spare time
There are a lot more customers, I see. Maybe because you are the cook now?
No way. I am so slow. That's causing a lot of holdups.
Really?
Bro, they want their order.
By the way, since when Shin Dong-Ha ...
Huh? Oh, not for long. He really wanted the job and it seemed like he could really use the money.
He's almost a self supporting student.

What ?! There were more ?!
Two more Jajangmyeon.

Are you really supporting yourself?

I guess majority of rumors about you are wrong
I didn't think you had to skip school to work.

I thought...
You stopped coming because of me.
B, because of what I said ...
I've wanted to apologize.

I am sorry.

...You think too much about yourself
Apology heard. Apology accepted. All good?
...Jerk
H-Hey ! It took me some courage to apologize !
I see...

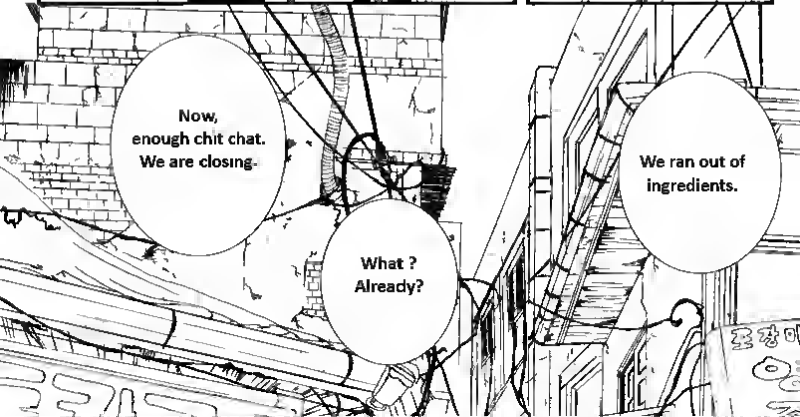
W, why aren't you coming to school then ?
... You don't go to home also ?
If you keep doing this, I am just gonna have to tell the teacher where you are !

Tell whom what ?

Tell my friends that your cooking is awesome
Hehoh, don't state the obvious!



Now, enough chit chat. We are closing.
What ? Already?
We ran out of ingredients.

Money is flowing in, alright, but damn... this is hard.
Bro, want me to massage your shoulders?
Oh, yeah, that's the spot.
You sure? Why not?
But it's only 8 pm ! That's awesome !

T, this is ...
How is it? Good ?
The reality
Oh, oh, yeah, yessss, that's it. Ohhh, yesss.

Sure.
... Do you like him that much?

Well, I did feel something strange about this from the beginning.

Anyway,
I thought you were one of those who would choose to stay in the closet rather than coming out boldly like this.

.... Aren't you working here to be with Je-Hyeong oppa ?

... What is it you want to talk about?
The obvious stuff; your school life or lack there of.
Over a week this time. That's pretty bad. You had been doing alright. What's wrong now ?

The chairman listened to you and sent to you here, Incheon, instead of just sending you overseas.
You should be really thankful for that.
The chairman cannot continue to protect you if you don't keep your end of the bargain.
Other family members are out to get you and kick you out of your position as the heir.
You don't want it ?
Maybe because you've had everything from the start?

The chairman does really see you as his heir. I cannot imagine how he will feel if I have to report him that you are haning out with a high school dropout.
Get a hold of yourself ! Unless you want to become like your elder brother and be kicked out.
And can't you have better pals ?

Ha...hah...

He called a while ago His family is going to have a memorial service
Just 2 of us today

Are you trying to be a big brother now ? Hah -
Je-Hui? To # 3 table !
Okay ! Ah, Welcome !
That's so unlike you, dude.

Hello, I am Kim Ji-Yeon from MorningSense. I called you this morhing. I thank you for accepting the interview.
Hello, Miss Kim. You arrived earlier than expected. I am Im Young-Ji. I am the chief caretaker.
I couldn't sleep last night. I was so excited. I mean, it's Bi-Yeon-Dang I am to review!
May I ask why you are letting us review it now? You've been refusing for a long time
It was not intentional, I assure you
The compund has been going through heavy renovations, which was why we refused any interviews and reviews
I am the first then? I am honored
This is the main building.

As you can see, it's just a modern building. It's not something you'd be interested but -
This building was the first one to have been built on the compund, so it has its meaning and history
Interesting, a morden building was the first one that was built.
So, is the rumor true that you relocated Bi-Yeon-Dang to here ?
There were... obstacles, but the chairman's will was strong.
Weren't there criticism? Bi-Yeon-Dang was one of few multi story traditional Korean building.
... We are here now.

This is
Bi-Yeon-Dang.

Oh, my Goddess !
Beautiful !
It blends so well with the background that it doesn't feel like the building has been relocated at all ! It's simply amazing to be able to see such an art in middle of Seoul !
Wait until April and you will see flowers blossom around. A heavenly scene, it will be.

Oh, yes, I do so would like to see! Please invite me again in April, please! Please !
If the chairman approves, yes, you will be invited first.
Sura's place

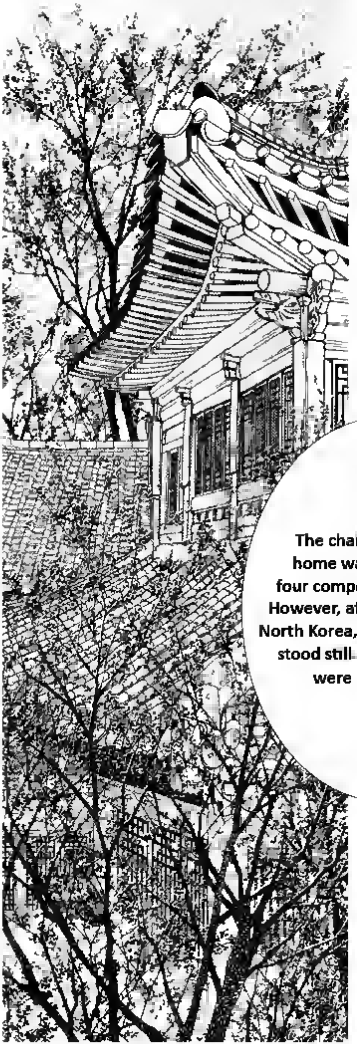
Thank you ! I am counting on you !
There must be a reason why the chairman decided to relocate the building despite of strong disapprovals from others. May I ask the reason?
?
... As the chairman and a leader of a clan, it was his

... Pride?



The chairman's family home was consisted of four compounds originally. However, after 6.25 war with North Korea, only Bi-Yeon-Dang stood still. The other three were obliterated.

The chairman's will was to restart his family history anew in Seoul. In order to do so, he had to relocate Bi-Yeon-Dang here.

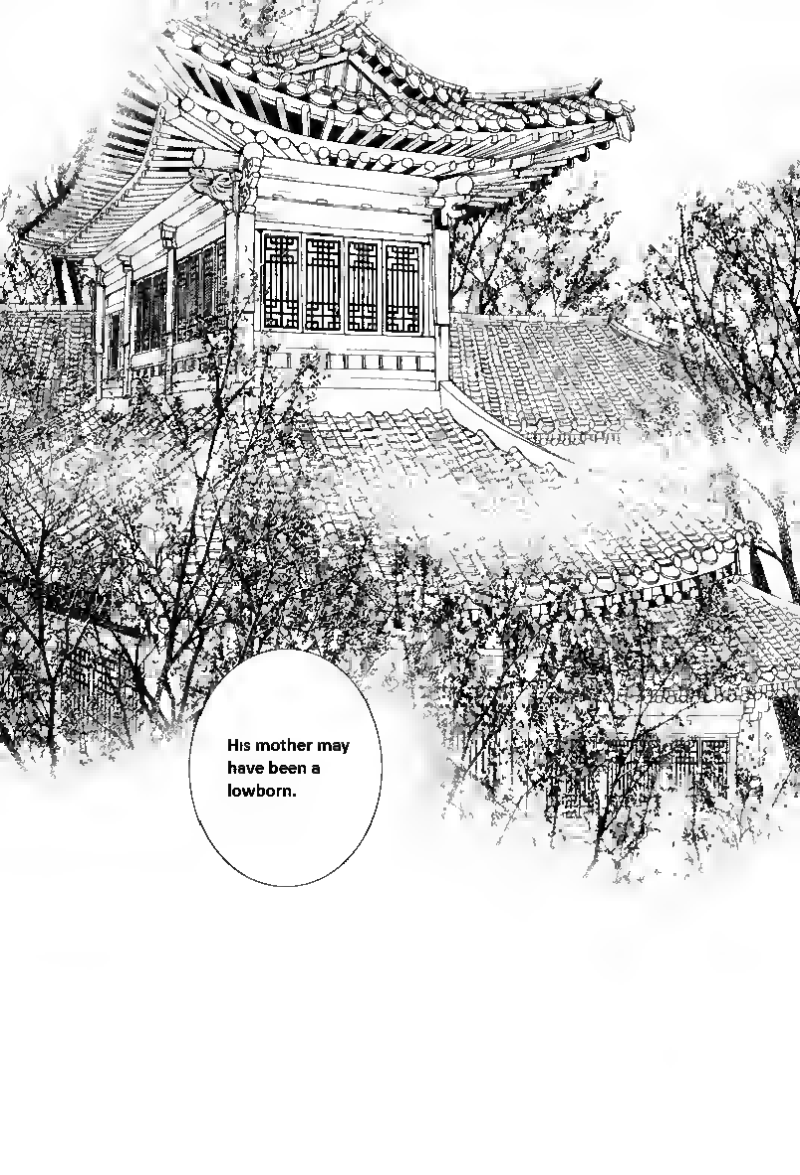
He has brought that kid again. It's hard to believe such a child was born from the brilliant chairman.
Another son from his mistress is a genius, I heard. I don't know why the chairman insists on that child.



His mother may have been a lowborn.

But she was the official and the first wife regardless. On paper, he is the legitimate heir.

Ah?
Bro, dad brought him again ! He's here ! Dong-Ha ! Dong-Ha is here !
I see
Are you listening to me ! Dad let him tag along again ! Why ?!
Why does he like him more than he likes me ?! I am smarter and cuter !

Chairman, American universities are on summer break now.
Is that so?

He's the mistress' son? I heard he was of mixed blood. It's clear that he's mixed.
He is pretty clever, I hear. He sits at top of MIT. He's favored by Chairman Kang who's his grandfather
He was even allowed to carry the lastname, Kang, so that means he's accepted.
They are pretty much opposite in every aspect.
Not so loud ! We do not want the young master to hear this
*From the context, he does not appear to be a son of Dang-Ha's father. He is likely a son of his mistress' previous marriage

How is Chairman Kang?
He is well, too well actually.
He is aged now I am sure he wants you to work on front lines.
Haha, I am still too young.

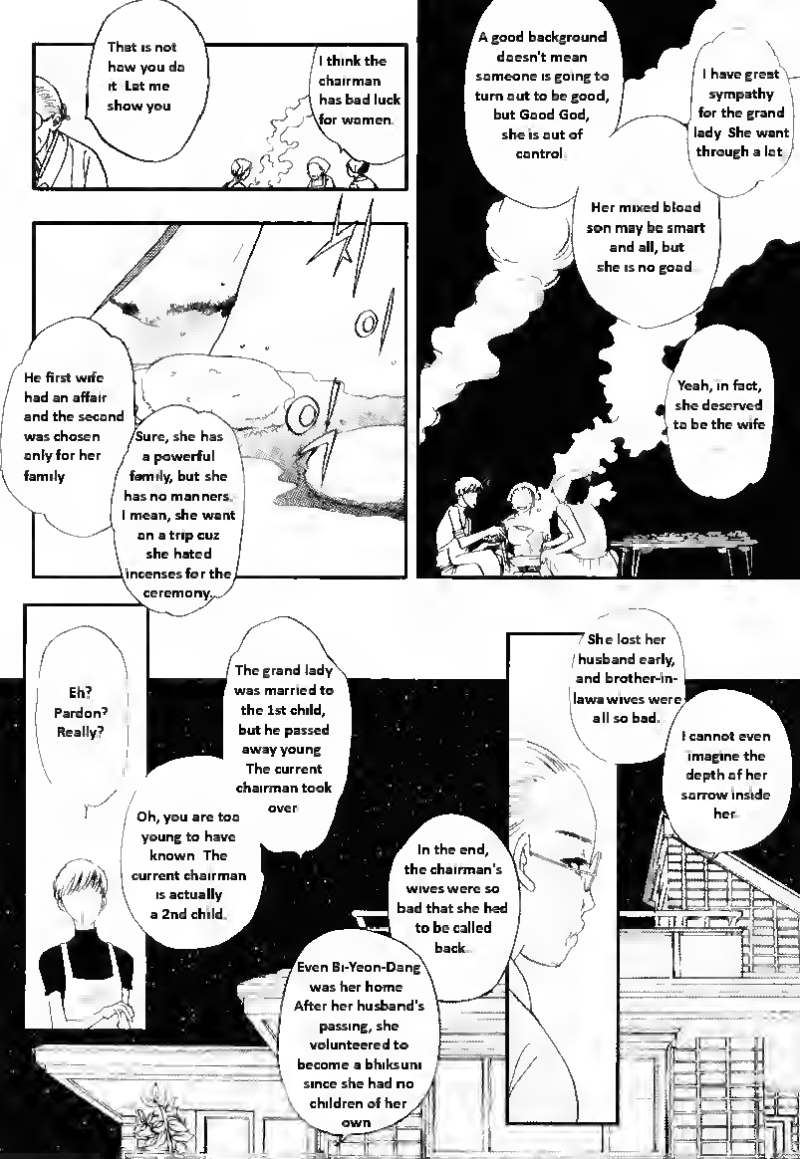
Yes.

Keep moving ! We've got to finish this now !
As soon as the ceremony is over, we have to deliver dinner to hundreds!
Let's do this! Keep soups warm, boil it again if needed!
And we may run out of jeon (pancake -like stuff) We should make more!
Hmm
Well done.
This is good enough. Take it out.
Yes, grand Lady !
What should we do with the meat cakes ?!



That is not how you do it Let me show you
I think the chairman has bad luck for women.
A good background doesn't mean someone is going to turn out to be good, but Good God, she is out of control.
I have great sympathy for the grand lady She went through a lot.
Her mixed blood son may be smart and all, but she is no good.
Yeah, in fact, she deserved to be the wife
He first wife had an affair and the second was chosen only for her family
Sure, she has a powerful family, but she has no manners. I mean, she went on a trip cuz she hated incenses for the ceremony.
Eh? Pardon? Really?
The grand lady was married to the 1st child, but he passed away young The current chairman took over
Oh, you are too young to have known The current chairman is actually a 2nd child.
She lost her husband early, and brother-in-laws wives were all so bad.
I cannot even imagine the depth of her sorrow inside her.
In the end, the chairman's wives were so bad that she had to be called back.
Even Bi-Yeon-Dang was her home After her husband's passing, she volunteered to become a bhiksuni since she had no children of her own

The young master, Dong-Ha, was raised by her as well. He has to turn out well for her sake. But, gosh, he is a whackjob. Hard to believe such a child wes born from the first wife....
He looks calm and all. Is there something wrong with him?
You really don't know anything, do you!
Are you bullied here? Is that why you don't know anything?
Haha— I don't get along well with others
Really? I was just joking, but are you really bullied?
Sigh, I feel for you, girl

Which is why the chairman keeps other children close by just in case.

But i did hear the first wife have two sons –

안녕하세요.
S.M.D.M입니다
우선 이 책을 사주신 독자분들께
감사의 인사를
이 불황에도 제 책을 사주셔서
감사합니다. 모두 이 힘든 나날을
잘 버텨봅시다.
언젠가 다시 웃게 되겠지요.
그리고 몇 가지 알림 사항이 있습니다.

첫 번째는
안 좋은
소식입니다.

제형이네
가게의
실제모델이었던
가게 마당이
화재로 영업중지
되었습니다

세보에 의하면 1월경에 일어났다는데 저음
그 소식을 듣고 전 유언비어라고 생각했습니다
왜냐하면 당시 소식을 듣기 얼마 전 가게에
다녀왔을 땐 아무 일도 없었거든요.
하지만 정말이더군요 2권이 나온 후에야
사실을 확인했습니다 (아마 제 홈피에 오시던
분들이시면 아시는 소식이겠지만 혹시나
제 책을 읽고 찾아가실 분들을 위해
알려드립니다.)

작품 이전에 싱당히 좋아하던
가게였기 때문에 충격이 컸습니다
하지만 다행히 가게를 이전해
다시 시작하신다는 제보가 들어왔습니다
장소까지는 모르겠지만 부디 아무 일 없이
좋은 가게 다시 열어주셨으면 합니다

하지만 가게가 다시 열려도
제가 사랑하던
그곳은 아니겠지요.
남대문이 전소되던 날이
생각나 많이 씁쓸했습니다

그리고 두 번째는
동하네 별당 비연당
비연당의 건물 기본 양식은
조선말 마지막 왕족분들이
기거하신 낙선제에서
따왔습니다

허나 2층 구조의
한옥이란 부분은
완전히
허구입니다

그리고 부끄럽지만 작지연재 시
3배(拜)라고 적었던 대사를 수정합니다
알고 보니 부모님의 제사 때 절은
두 번이더군요 두 번 절하고 반배를
올리는 것을 3배(拜)라고 잘못 알고
있었습니다 ㅠㅠ

여기서 반배라는 것도 절이 아닌
읍(揖)으로써 간단히 예를
차리는 것입니다
또한 이 읍(揖)도 절을 올리기 전에
한다는 설과 후에 한다는 등 상황과
지역에 따라 달라지는 듯합니다
해서 엄장인에 대사가 묵념으로
바뀌었습니다

그리고 제형이 아버님께서
축문을 읊으실 때
금산 신 씨라고 하시는데
실제 금산을 본으로하는
신 씨는 없습니다 ^^
작품의 장르가 장르인지라
혹여 일어날 분란을 막고자
제 임의로 만든 성이니
오해 없으시길
금산을 본으로 사용한 것은
제 고향이 그곳이기 때문입니다
그나마 아는 지역인지라
자료를 구하기 쉬워서
차용하고 있습니다.

이렇게 3권이 끝났습니다
허술하기 그지없는 작품입니다만
그래도 읽어주시는 독자분이 있어
유지하고 있습니다
항상 감사하게 생각합니다
그럼 다음 4권에서 만나요

안천에서 SMDM-
